

**DECLARATION  
AND POWER OF ATTORNEY**  
**Original Application**

As a below named inventor, I hereby declare that the information given herein is true, that I believe that I am the original, first and sole inventor if only one name is listed below, or a joint inventor if plural inventors are named below, of the subject matter claimed and for which a patent is sought in the application entitled:

**"TIMING CONTROL MEANS FOR AUTOMATIC COMPENSATION  
OF TIMING UNCERTAINTIES"**

which is described and claimed in:

the attached specification or

the specification in application

that I do know and do not believe that the same was ever known or used in the United States of America before my or our invention thereof or patented or described in any printed publication in any country before my or our invention thereof, or more than year prior to this application, or in public or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the date of this application in any country foreign to the United States of America on an application filed by me or my legal representatives or assigns more than twelve months prior to this application, that I acknowledge my duty to disclose information of which I am aware which is material to patentability in accordance with 37 CFR, § 1.56. I hereby state that I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment referred to above. I hereby claim priority benefits under 35 U.S.C. §119, §172 or §365 of any provisional application or foreign application(s) for patent or inventor's certificate listed below. All foreign applications for patent or inventor's certificate on this invention filed by me or my legal representatives or assigns prior to the application(s) of which priority is claimed are also identified below.
